## “UPGRADED TO GREATNESS”

In a continuing effort to always provide the “greatest” products, we now supply the following great advantages on installed doors from Great Garage Door Company.

- 1. Self Lubricating Rollers**  
*(No more rusted/seized-up rollers)*
- 2. 14 Gauge Commercial Hinges**  
*(Not 18 gauge hinges)*
- 3. Long life 15,000 cycle springs on all 7' doors.** *(Not 6000 to 10,000 cycle springs)*
- 4. 1/8 Inch Aircraft Cable**  
*(Not 3/32 inch residential cable)*
- 5. Heavy Duty End Bearings**  
*(For reduced cable wear)*
- 6. Torsion Spring System**  
*Double Doors Two Springs*  
*Single Doors One Spring*
- 7. Long Horizontal Track Support**  
*(For reduced roller wear)*

These features give you the benefit of **LONGER DOOR LIFE** and no hassle, worry free garage doors.
